

# Professional Profile

**DAVID A. DWORKIN**  
Research Manager  
ddworkin@gelasvegas.com  
702.733.7500 ext. 248

## CURRENT RESPONSIBILITIES

Dave joined the Grubb & Ellis|Las Vegas team in February of 2005 as Research Analyst, and was promoted to Research Manager in February of 2010. Dave is responsible for directing all market research initiatives for the firm, including overseeing all research and mapping projects, maintaining the integrity and accuracy of the company's proprietary commercial property database, analyzing market changes and trends, preparing a quarterly trend report for office and industrial specialties, and writing the annual forecast report which covers industrial, office, retail, investment, land, and multi-housing.

## CAREER SUMMARY

Prior to working for Grubb & Ellis|Las Vegas, Dave was the Director of Marketing and Head of Information Technology at IPG Commercial Real Estate Services for 11 years. His various duties included creating marketing materials for the firm, designing brochures, drawing floor plans, updating IPG's industrial database, as well as maintaining a twelve-user network.
